Re: O1 Communications of Tennessee, LLC  
Application for Certificate of Public Convenience and Necessity

Dear Mr. Waddell:

We are in receipt of your letter dated May 12, 2000 enclosing the TRA's Data Request required for completion of the application of O1 Communications of Tennessee, LLC.

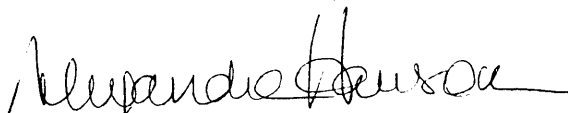

It is anticipated that O1 Communications of Tennessee, LLC will, in the near future, undergo a transfer of control. Due to this anticipated event, the hearing on its application was placed on hold by Mr. Carsie Mundy, Regulatory Manager, pending completion of the transfer.

We would respectfully request that responses to the Data Request be suspended until the transfer of control is completed, at which time the new owner can provide the TRA with the necessary information to complete the application.

Thank you for your courtesy and consideration.

Very truly yours,

O1 COMMUNICATIONS, INC.
